

INQUIRY ON TO-DAY IN AIRPLANE FALL

Antiquated Motors May Have
Caused Crash Killing Two War
Veterans.

An investigation will be conducted to-day to determine the cause of the airplane accident at Forest Hills, L. I., which caused the deaths of two veterans of the World War. It is believed an antiquated motor may have been the cause.

The dead men are Lieut. James Murray Grier, U. S. N., member of a prominent Philadelphia family, who fought four months with the Lafayette Escadrille and who was decorated for his gallantry over the Mediterranean; and Sergt. Joseph Peter Sax, an old member of the Regular Army, who has been service in the Philippines, Cuba, China and the World War. He showed courage in making photographs of the German trenches from the air.

The flight started from Mitchell Field and the machine fell in full view of several thousand persons attending the National All Comers' Tennis Tournament at Forest Hills. The plane was flying about 500 feet at the time.

OBREGON PREFERS TOOTHBRUSH TO GUN

President-Elect Would Rather Teach
Its Use to People of Mexico,
He Says.

MEXICO CITY, Sept. 7.—Gen. Alvaro Obregon, Presidential candidate of the Liberal Constitutional Party, won a decisive victory in the elections just held throughout Mexico, according to scattering unofficial advices. His opponent was Alfredo Robles Dominguez, who was nominated by the National Republican Party.

"I would rather teach the Mexican people," Obregon is quoted as having said, "the use of the toothbrush than to handle a rifle. I would rather see them in schools than upon battlefields. I prefer any day a good electrician, machinist, carpenter or farmer to a soldier."

Mildred Rohrer, eleven, of No. 1572 Vyse Avenue, who was playing in the

street, says the man inflicted a three-inch slash on her thigh. Caroline Farrell, fifteen, of the same address, was also slashed while on the front porch of her home. The police have a good description of the man and believe he has annoyed other girls.
